It costs £85. In France it would be €75. In Japan this costs ¥6500!

Parentheses may be nested (generally with one set (such as this) inside another). Sometimes ([other words, secondary {or even tertiary} phrases can be found within the main parenthetical sentence]). The ordinal 42 is the order type of the ordinals less than it, that is, the ordinals from 0 to 41 and it is generally identified as the set {0,1,2,...,41}.

Laura said, "We will continue this tomorrow at 8:00 a.m." Hotel rooms are likely to be in short supply throughout August (the peak travel period). Yesterday he asked, "Why is it so cold on Mars?" What in the world are you doing up there! "Get out!" Marcus yelled. Tom Roberts Jr., MD, FACS, will be the keynote speaker at next year's conference. Her arrival on Monday, April 11, 1988, was considered a turning point for the company. The upperclassmen are permitted off-campus lunch; the underclassmen must remain on campus. Hyperinflation makes it extremely difficult to keep track of prices; thus a quart of milk might cost \$10 in the morning and \$200 in the afternoon. Some people brought food; others, clothing; yet others, merely a willingness to help. The bookstore specializes in three subjects: art, architecture, and graphic design. 11:35 a.m. 1:3 Punctuation Quarterly 4:86–89 Dear Ms. Smith: cc: Tom Smith Attention: Accounts Payable PS: Don't forget your swimsuit. The house comes with a state-of-the-art security system. eye-opener check-in free-for-all The 2010–2011 season was our best yet. The professor holds office hours every Wednesday, 11:00 a.m.–1:00 p.m. The Perth–Dubai–Boston flight takes more than a day. She is an award-winning novelist. Upon discovering the errors—all 124 of them—the publisher immediately recalled the books. The white sand, the warm water, the sparkling sun—this is what brought them to Fiji. Most newspapers — and all that follow AP style — insert a space before and after the em dash. "The best investments today," according to Smith, "are commodities and emerging-market stocks." She provides a thorough list of problems in her most recent article, "Misery in Paradise"; she doesn't provide a solution. In his novel *White Noise*, Don DeLillo neatly summarizes the materialist philosophy: "It's all this activity in the brain and you don't know what's you as a person and what's some neuron that just happens to fire or just happens to misfire." The author's final argument is less convincing: "When Brown writes of 'interpreting the matter through a 'structuralist' lens,' he opens himself to the same criticism he made earlier in his own paper." The media mogul was

overheard saying, "I would never do a deal with [Acme Corporation's CEO,] Wile E. Coyote." Smith writes in his autobiography: "I seldom spoke in French class. When I did, I usually just said *je ne sais pas* [I don't know]." The final report indicated that "pilot error ways [sic] the most likely cause of the crash." In his twenties, he toured the country giving lectures to physics students (subsequently published as *M-theory for Morons* [2008]). After three weeks on set, the cast was fed up with his direction (or, rather, lack of direction). Please submit the following four items with your application: (1) a cover letter, (2) a resume, (3) a college transcript, and (4) a list of professional references. emerging-market stocks." She provides a thorough list of problems in her most

recent article, "Misery in Paradise"; she doesn't provide a solution. In his novel
White Noise, Don DeLillo neatly summarizes the materialist philosophy: "It's all this
activity in the brain and you don't know what's you as a person and what's some
neuron that just happens to fire or just happens to misfire." The author's final
argument is less convincing: "When Brown writes of 'interpreting the matter
through a "structuralist" lens,' he opens himself to the same criticism he made
earlier in his own paper." The media mogul was overheard saying, "I would never do
a deal with [Acme Corporation's CEO,] Wile E. Coyote." Smith writes in his
autobiography: "I seldom spoke in French class. When I did, I usually just said je ne
